

# REPORTER TURKEY

**We have an open position for a reporter to cover the Turkish energy markets from Istanbul.**

Montel-Foreks seeks a Istanbul-based reporter to cover the Turkish power and gas markets in Turkish and English, as well as political and regulatory developments, linked to the wider European and global energy complex.

The reporter will join Montel-Foreks's Turkey-based correspondent in our Turkish-language news service. The position is open to both junior and more experienced reporters looking to develop their journalism skills and energy markets competence in a busy newswire environment.

## **Main duties and skills required**

- Understanding the fundamentals of Turkish power and gas markets
- Minimum 1 year experience in the field
- Delivering high-quality copy and some experience covering Turkish power and/or related markets would be an advantage.
- Native level fluency in Turkish and professional proficiency in English, as the positions will involve translations of news between both languages.
- Solid knowledge of the political processes at all levels in Turkey.

## **Terms**

Start-up date: as soon as possible

Please send a CV and covering letter by in English by 30 November: [info@monteforeks.com](mailto:info@monteforeks.com)

Nazlı Naseh, Editor (+905337756855)

## **About Montel-Foreks**

MontelForeks – with headquarters in Istanbul – provides independent, accurate, balanced, and indispensable market-moving news in Turkish power and gas markets.

With real-time and historical data from across the fast-moving power and fuels markets – including gas, oil, and coal – we are at the forefront of developments, and can keep you ahead of the curve.

About the partners:

**Dragon**, is a Turkey-based boutique advisory firm involved in energy trade and finance. The company has been advising for a number of local and international clients in power trading, business development and financing.

**Foreks**, is a Swiss-Turkish joint-venture established in 1990. The company has headquarters in Istanbul, and offices in İzmir and Ankara. Foreks supplies financial data, news and information, including delayed and real-time stock market data to private and corporate clients.

**Montel**, established in Oslo in 1989 – is an information provider for the European power and energy markets, with customers in more than 30 countries. The backbone of our business – Montel Online – contains independent market-moving, multi-commodity news, power and fuel prices from all major European exchanges and brokers, charting tools, and price-driving fundamentals.
